

GEM2 Series Electromagnetic Flow Meters

Reliable and Accurate Battery-Powered Mag Meter

for Municipal and Industrial Applications

Proudly Engineered in the USA

An unrivaled combination of performance, dependability, and value

The GEM2 series electromagnetic flow meters utilize cutting-edge technology to deliver reliable and precise measurements of fluids across a wide variety of industries and applications. GEM2 series mag meters feature advanced sensor and transducer designs, which enable maximum flexibility to provide superior accuracy in even the most challenging fluid applications and installation conditions. The advanced measurement technology is combined with a heavy-duty design and GloTech's uncompromising standards on material and manufacturing quality. The result is a meter that offers market leading performance and durability at an unbeatable value.

Applications

- Groundwater intake
- Water transfer and distribution
- Water and wastewater treatment
- Industrial process control
- HVAC / cooling water
- Irrigation and pumping systems

Key Features

- No moving parts, resulting in low maintenance requirements and minimal head loss
- Minimal straight pipe requirements
- Rugged construction rated to IP68
- Pulse, 4-20mA, and Modbus output standard
- Convenient built-in data logger
- Android and iOS Bluetooth app
- NSF/ANSI 61 certified

GEM2 SERIES

Flow Meters

Technical Specifications

Size	2" ~ 80"	
Medium Temp	≤140 F (standard) ≤320 F (optional)	
Ambient Temp	-40 F~140 F	
Conductivity	≥ 10 uS / cm	
Flow Velocity	0.3 ~ 40 ft / s	
Accuracy	土0.5 %	
Enclosure Rating	IP68	
Max Pressure	290 psi (standard)	
Flange Standards	ANSI, DIN, BS	
Estimated Battery Life	5 years with normal usage	
Power	3.6V 19Ah x 5 8 ~ 32V DC / 8 ~ 32V AC	
Outputs	Pulse / Frequency, 4-20mA, Modbus®, Sensus® (optional)	
Data Logger (Optional)	10-year storage. Convenient data retrieval via Bluetooth	
Meter Housing	Carbon Steel	
Electronics Housing	Die Cast Aluminum	
Flow Tube	304 SS	
Liner	Neoprene, PTFE, FEP	
Electrodes	316 SS, Titanium, Hastelloy	
NSF 61	Rubber liners, 4" and above; PTFE liners, all sizes	

Product Range

SIZE*	L	н	H1	D**	w(lbs)
2"	7.9	13.0	10.0	6.0	29
3"	9.1	14.6	10.8	7.5	41
4"	10.2	15.7	11.2	9.0	51
6"	12.3	17.4	11.9	11.0	68
8"	14.3	19.4	12.6	13.5	108
10"	18.2	21.7	13.7	16.0	157
12"	20.2	24.1	14.6	19.0	223
14"	20.2	25.8	15.3	21.0	287
16"	20.2	28.1	16.3	23.5	342
18"	24.1	29.8	17.3	25.0	397
20"	24.1	32.1	18.3	27.5	463
24"	24.1	35.7	19.7	32.0	573

^{*} Shown in inches. Larger sizes available upon request

 $[\]ensuremath{^{**}\text{Standard}}$ flange dimensions per ANSI 16.5. Other flange standards available
